

RAND SLAMS BRENNAN: 'MOST BIASED, BIGOTED ... HYPERBOLIC, UNHINGED DIRECTOR OF THE CIA' EVER

'John Brennan started out his adulthood by voting for the communist party presidential candidate'

EXCERPT:

PAUL: "John Brennan started out his adulthood by voting for the Communist Party presidential candidate. He is now ending his career by showing himself to be the most biased, bigoted, over-the-top, hyperbolic, unhinged director of the C.I.A. we've ever had. It really is an insult to everything about our government, to have a former head of the C.I.A. calling the President treasonous just because he doesn't like him. You know, I filibustered Brennan. I tried to keep Brennan from ever being the leader of the C.I.A. But realize that Brennan and Clapper are known for wanting to expand the authority of the intelligence agencies to grab up everyone's information, including

Americans', and so I don't have a lot of respect for these people. Even before they decided to go on hating the President, I disliked these people because they wanted to grab up so much power and use it against the American people."
