

A LIFETIME ANALYSIS OF THEIR PUBLISHED WORK, PAYMENTS AND WHO PAID THEM, OFTEN VIA COVERT PAYMENT ROUTES, CONDUCTED AT AN FBI-LEVEL OF RESEARCH, REVEALS SOME PRETTY INTERESTING CONNECTIONS -

These are the people that the tech oligarchs, The White House and U.S. Senators hire to end your life if you report their crimes. It should be against the law for these cyber assassination kill services to even exist, but Congress won't outlaw them because Senators use them every day. If they can do the things they do, to you, then it must be legal to do the same things back to them. While they spend millions of dollars and get paid millions of dollars to destroy you, the average person only has a fraction of that money, if any at all, to fight back with. Since they are hired to kill you, you have every right to kill them...as long as you do it legally and in the most creative and insidious ways possible. In payback for accepting compensation for trying to destroy you and your family, they must be hunted and tracked for the rest of their lives! Criminal referrals and RICO charges appear to have been filed against every party on this list:

Because almost every one of them *coordinated* to attack others and their businesses, they broke the RICO Racketeering and anti-trust laws in America! In an FBI interview, it is believed that every person on this list would be implicated in charges when asked, under oath: "***ARE YOU, OR HAVE YOU EVER HIRED, A CYBER ATTACKER?***" More names coming...)
