The Sociological Eye: ELON MUSK'S MANAGEMENT STYLE

Feb 15, 2025 **Elon Musk** is the world's most controversial business manager, following the example of Steve Jobs. Both their lives are detailed in biographies by Walter Isaacson, full of information on how they interacted with people, built their networks, and succeeded by iconoclastic behavior. I will summarize this information, together with research by Michel Villette on the ruthless tactics of **making the ...**
